Kourosh

Dried Fruits & Legumes Industry

About Us..

Company Overview

Founded on the legacy of Golrang Industrial Group (established in 1972), **Kourosh Dried Fruits and Legumes Industry** was launched in 2017 with a clear vision: to set new benchmarks in quality and scale. Today, we are recognized as specialists in premium dried fruits, legumes, nuts, seeds, cereals, pulses, and snacks — with an annual production capacity exceeding 55,000 metric tons.

Our strength lies in end-to-end excellence. By continuously refining sourcing, production, and distribution, we have earned our position as a market leader, delivering consistent value across retail and bulk channels. Our portfolio proudly includes internationally recognized retail brands — Famila, Azooghe, Suntin, V-nut, V-nito, Madlin — alongside our trusted bulk brand Kourosh Legumes.

Do you know we have exported our products to more than 30 countries around the world?

With exports to 30+ countries, our products are trusted by wholesalers, packers, and manufacturers across the EU, CIS, GCC, and India, ensuring global reach with uncompromised quality.

Dates

Hand-picked from Iran's most reputable farms, our dates offer consistent size, premium quality, and natural sweetness. Available in key varieties such as Mazafati, Rabbi, and Sayer, they are ideal for retail packs and widely used in confectionery, bakery, and health foods worldwide.

The background of the entire image is a close-up photograph of several ripe, red tomatoes on their green vines, resting on a wooden surface. In the center, a white ceramic bowl is filled with a thick, smooth, vibrant red tomato paste. The lighting is soft, highlighting the textures of the tomatoes and the paste.

Tomato Paste

Made from ripe, carefully selected tomatoes, our concentrated paste delivers robust flavor, vibrant color, and uniform texture. Available in multiple grades and pack sizes, it meets the needs of both retail and large-scale food manufacturers.
